PROFILE

Eight years building production web and mobile products across Albania, Italy and Germany. Strong on React and TypeScript, comfortable from interface to infrastructure, and focused on code that other people can maintain.

EXPERIENCE

Senior Frontend Engineer, Lufthansa Industry Solutions

Apr 2023 – Present · Tirana · remote

- Migrate aviation tools from Sencha Ext JS to React + TypeScript single-page applications, as part of the frontend team.
- Build features with React Hooks, Redux and Redux-Thunk, and write reusable hooks and utilities shared across the code base.
- Keep code quality high with SonarQube and code reviews; work with backend, QA and UX colleagues across time zones.
